- June 26/27 - Last days of school

MANY THANKS...

Many thanks for participating in our **Purple Day** fundraiser. We raised \$265.80! The children had fun with special purple crafts! All money raised will go to Epilepsy Durham Region.

ENROLLMENT...

Be sure to hand in your child's registration package if you are planning on re-enrolling for fall. Some classes are already full for the upcoming year. The 2018-19 monthly fee for 2 half-day sessions a week is \$190.00, four half-day sessions a week is \$370.00, with a registration fee of \$30.00. Once you submit the paperwork and receive a registration confirmation from Holly, your child's spot will be held on the class list until June 1st, 2018 when you must submit the deposit payment to secure the spot.

We will be hosting an **OPEN HOUSE NIGHT** on Wednesday, April 25, 5:30-7:30 p.m. for families of 2018-19 students. If you know someone who would like to visit the school and learn about our program, feel free to let them know. The staff will be available to answer questions and children will have the opportunity to explore the classroom. The majority of families who join our program choose us because someone they trust has recommended us. Thank you for your kind words...it keeps us doing the work we love!
