

# PINE RIDGE NURSERY SCHOOL

Newsletter | September 2017

## WELCOME!

Welcome new and returning families! September promises to be a month of exciting experiences for your child at Pine Ridge Nursery School. Our themes for the month will be Welcome to School and Autumn Fun.

## REMINDERS...

Your child will need a change of clothing in his/her bag, including socks and underwear/diapers/pull-ups and wipes. Please bring a pair of indoor shoes; children in the morning classes can either leave them at school in the shoe bin or carry them back and forth in their bag. Children in the afternoon class should leave their shoes at school. **Please label your child's things!**

## ALLERGY ALERT...

We have children in our program with life threatening allergies to nuts and dairy products. Please **DO NOT** bring treats for any holiday occasion or your child's birthday. We will celebrate all birthdays at the end of each month with applesauce cake for snack. **If your child has had yogurt, peanut butter, Nutella, etc. before coming, please ensure that he/she has no trace amounts left on face, hands, or clothing. Contact with a food allergen can lead to a severe reaction.** The families of these children are counting on all of us to keep them safe. We appreciate your understanding and cooperation.

## !!PARKING!!...

We are aware that there is limited parking available on church property. At no time is it permissible to park in the church staff spots or accessible space unless licensed to do so. There is additional parking available across the street in the municipal parking lot.

## POLICE CHECK...

There will be opportunity for you to volunteer for a few in-class celebrations. All volunteers are required to submit a current criminal reference check. Please ask for a copy of our volunteer letter before you go to the police station as this will reduce the cost of your police check.

## IN CASE OF EMERGENCY...

Should it be necessary to evacuate the building for any reason (fire, flood) be advised that our emergency evacuation shelter is the CLARINGTON PUBLIC LIBRARY at 163 Church St.

## A WORD ABOUT OUR STAFF...

Monique, Joy, Cindy, and Erin are the Rainbow Room teachers. Denise, Laura and Dorinda teach in the Sunshine Room. Holly is the Director and moves between both classrooms. Tammie, Melanie, and Cassidy are occasional staff. Together we are most excited to begin the school year and get to know the children!
