Inclusion Checklist

At Pine Ridge Nursery School, we believe in the potential of all children. The staff will “plan for and create positive learning environments and experiences in which each child’s learning and development will be supported and which is inclusive of all children, including children with individualized plans” (CCEYA, 2014 clause 46(3)f).

Please be as open and honest as possible with your answers to the questions below so that we are well prepared to support your child. We are responsible for the delivery of a quality program and must consider that safety and staffing needs can be met for the individual child and the whole group, when accepting enrollments. If resources allow for successfully meeting the needs of both the program and the child, an individualized support plan (ISP) will be developed.

Admissions and Discharge

Pine Ridge Nursery School must ensure the delivery of the program to all children enrolled. The school reserves the right to decline enrollment if the level of care required to support a child to participate in the program exceeds the resources available. It is essential that parents share all pertinent information specific to the child's unique needs. Occasionally, the school will accept a request for enrollment for a trial period. Details regarding the trial period will be developed in consultation with the parent and may include a modified schedule.

Terminating Care:

We value our relationships with families and will make every effort to work together in assisting each child to participate in a safe, meaningful and purposeful manner. Rarely, there may be a situation where it is necessary for the school to withdraw services and terminate care.

Grounds for termination may include but are not limited to:

- our inability to meet the unique needs of the child without hiring additional staff members
- nonpayment of fees
- inappropriate parent behaviour (Harassment or abusive behaviour toward staff or destruction of school property)
- failure to comply with nursery school policies and procedures as outlined in the Parent Handbook

We will give two weeks written notice of termination. The nursery school reserves the right to give written notice of immediate termination where there are extreme circumstances that affect the wellbeing of staff or other children in attendance. In this case, the school will refund the parent for any days paid past the point of termination.

Please sign to acknowledge that you are aware of this policy.
